I AM BOTH

ON VIEW | JANUARY 18 - MARCH 9, 2019

ARTIST TALK | MARCH 2, 2019 | 2:00 PM

"I AM BOTH", is a two-person exhibition of new work by Sonya Yong James and Trevor Reese. The work explores the ideas and themes around duality, systems that bridge personal and public, and the meeting of past and present. Both artists' artwork is an accumulation of objects and materials that respond and contrast with each other in both form and content. The work is the result of a conversation between two people, the two artists, in two different geographies.
