LETTER FROM THE EXECUTIVE DIRECTOR

In 1990, Mayor Maynard Jackson had a vision for the arts in Atlanta. He initiated an arts summit that brought together over 500 leaders in Atlanta's art community. This summit created the "Atlanta Blueprint for the Arts" that became the guiding force for the arts in this city and has been largely implemented in conjunction with established and emerging arts organizations.

This Blueprint was a catalyst for change as Atlanta strived to be recognized as a premier city for the arts. More than a decade later, Atlanta has emerged as a regional cultural center. Through the strategic use of resources and creative ingenuity, the Office of Cultural Affairs continues to provide programs that enrich the citizens of Atlanta and the region.

Our vision is to enhance the quality of life through cultural experiences that will expand Atlanta's international reputation. Our mission is to promote rich and diverse cultural experiences in the City of Atlanta while preserving and

protecting the city's cultural heritage. Under the leadership of Mayor Keisha Lance Bottoms, we are striving to position Atlanta as an international leader in the arts community.

I hope that this program guide provides you with a comprehensive understanding of the Office of Cultural Affairs and its role in the delivery of arts and culture to the city of Atlanta. Our intent is to provide an information source as well as a tool for communication with the community at large. An investment in the arts nurtures commerce, education and technology. The Office of Cultural Affairs is uniquely positioned to sustain and to expand Atlanta's presence in the world arts community.

Yours in art and culture,

Camille Russell Love

OFFICE OF CULTURAL AFFAIRS & CONTRACTS FOR ARTS SERVICES

The City of Atlanta Office of Cultural Affairs (OCA), a division of the Mayor's Executive Offices, was established in 1974 to encourage and support Atlanta's cultural resources. In order to improve the social fabric and quality of life for Atlanta's citizens and visitors, the OCA is committed to nurturing excellence and diversity in the city's artistic offerings. The OCA receives its funding from the City of Atlanta through an annual appropriation from the City's general fund and the Contracts for Arts Services (CAS) program awards contracts related to the production, creation, presentation, exhibition and managerial support of artistic and cultural services in the City of Atlanta.

VISION

Our vision is to enhance the quality of life through cultural experiences that will expand Atlanta's international reputation.

MISSION

Our mission is to promote rich and diverse cultural experiences in the City of Atlanta while preserving and protecting the city's cultural heritage.

We aspire to realize this mission in three ways:

Provide support for the existence of artists and arts organizations that are innovative and audacious in how they interact with the citizens of the City of Atlanta, both educationally and civically

Enhance neighborhood vitality and economic development through the arts

Ensure that artists and arts organizations have broad geographic distribution and perpetually reach diverse segments of the population in the City of Atlanta

FUNDING PRIORITIES

The involvement of all segments of the Atlanta community in funded activities is of central importance to the OCA. The OCA supports applicants who demonstrate diversity in their programs through artists, staff, committee and board participation, as well as through programs that interest and educate Atlanta's culturally diverse and underserved populations. Priority populations include low-income youth, senior citizens, people with physical and/or emotional disabilities, ethnic minorities and the LGBTQ communities, and traditionally under-represented audiences. All eligible proposals must provide services within the City limits for the direct benefit of Atlanta residents and visitors and must include viable plans to increase access and enhance the presence of arts and culture in Atlanta.

Accessibility and ADA Compliance

Contractors are required to hold their activities in physically accessible spaces, and all funded organizations must provide written statements describing their adherence to the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1974. The National Endowment for the Arts (NEA) Office of Accessibility assists individuals and organizations in making arts activities accessible to older adults, people with disabilities and those in institutions. You may contact the NEA at 202-682-5532 or <https://www.arts.gov/accessibility/accessibility-resources>.

Design for Accessibility: A Cultural Administrator Handbook, is designed to help organizations comply with Section 504 and the Americans with Disabilities Act. Copies of the book can be downloaded here: <http://www.nea.gov/resources/accessibility/pubs/DesignAccessibility.html>.

Open Records Requirement

Please be aware that City documents are public documents subject to the Open Records Act. As such, your application and all of its contents may be subject to disclosure and public review. Should you be awarded an Office of Cultural Affairs Contract for Arts Services, it will also be subject to the same regulations.

PANEL REVIEW

Online application review access is granted to advisory panelists at least two weeks prior to the online panel review. Advisory panelists review each application prior to scoring and recommending awards.

Advisory panels will strictly be an online process. Panels review all Contracts for Arts Services applications, determine project worthiness and recommend appropriate funding levels. Panelists may also evaluate activities contracted by the Office and suggest revisions to Office funding policies and procedures. All applicants are individually evaluated with narrative comments, given numerical scores and collectively ranked. Each panel member rates the application on the established review criteria and scoring matrix (see Evaluation). Panel members submit their recommendations online. The OCA Executive Director will then review and approve recommendations.

The process is designed to ensure the fairness, integrity and success of the Contracts for Arts Services program. Panelists may not apply for funding in a category while serving on the panel that would review the proposal in question. If selected, panelists must make OCA staff and fellow panelists aware of all perceived conflicts of interest prior to the review of applications.

OCA ADVISORY PANELS

Advisory Panels consisting of arts and community leaders assist the OCA in awarding contracts for arts services. Panel members are selected on the basis of resumes and recommendations, with respect to their expertise in the arts, knowledge of relevant community issues, ethnic and gender representation of the City of Atlanta, ability to work with others in a panel situation and their willingness to devote the time required to review applications and attend project activities. OCA solicits qualified panelists annually.

Major changes in the proposed activities or budget must be submitted to the OCA in writing and approved at least 30 days in advance of the effective date of change. After submitting the signed contract, affidavits and revised budget form (where applicable), the contractor should be aware that it takes approximately 8 weeks to receive initial payment.

As such, to be eligible for funding, organizations currently showing deficits must submit detailed plans for deficit reduction. Applicants are strongly encouraged to highlight any changes from prior deficit reduction plans, if any.
