

Things to Know Before Visiting Oakland Cemetery

Tour Guidelines

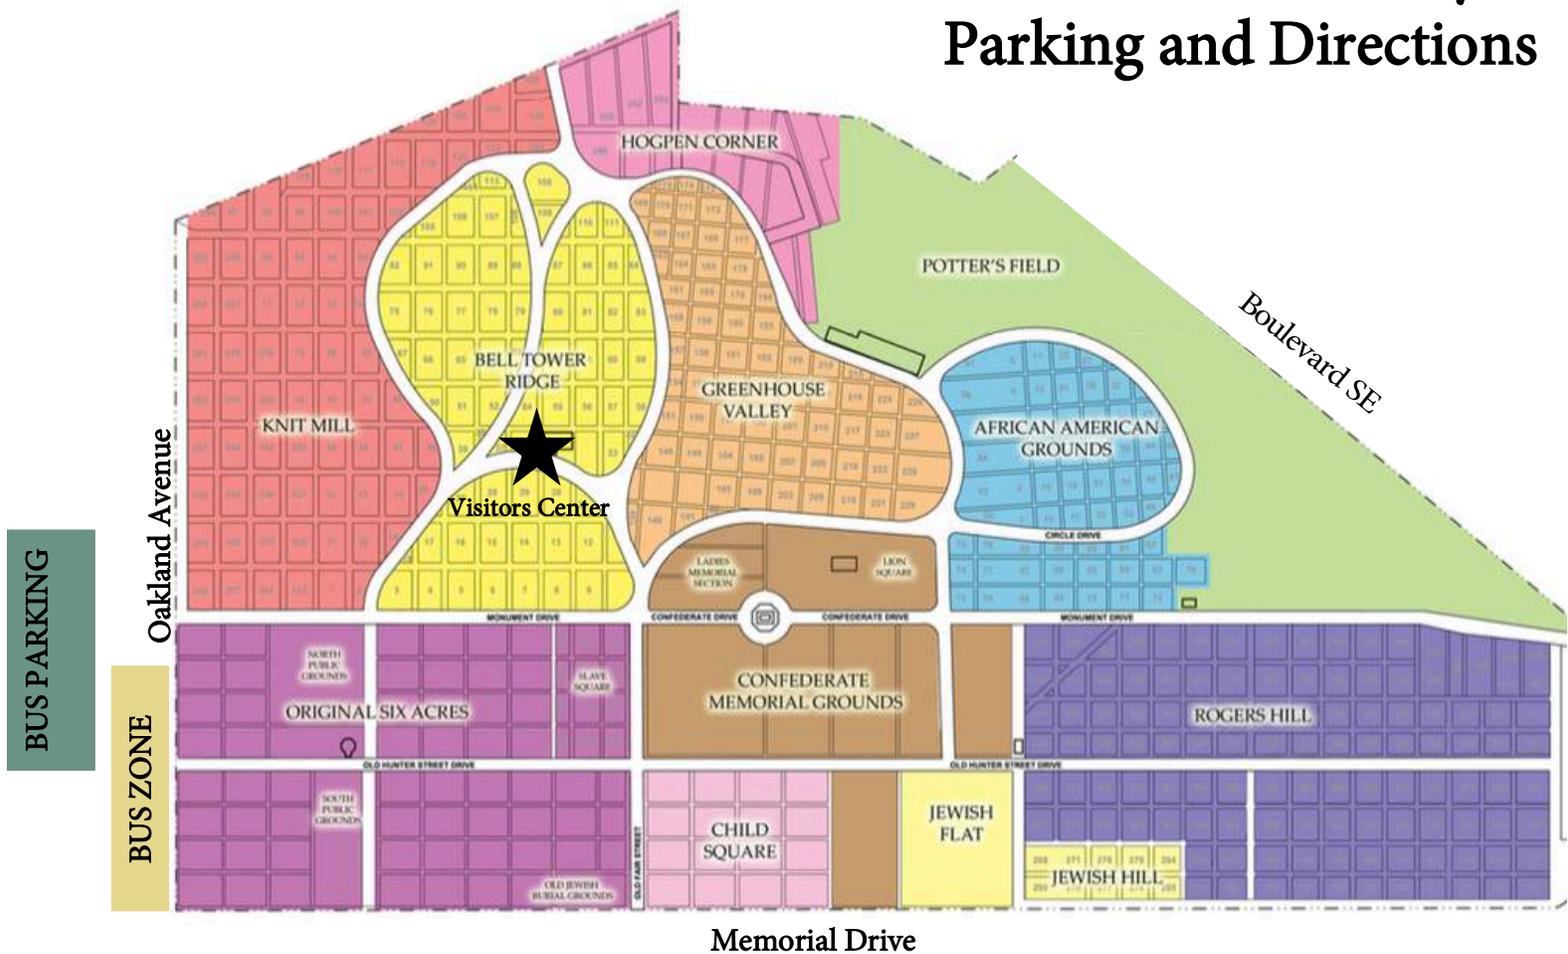

- Check-in with the tour guides upon arrival.
- Students should be divided into groups prior to arrival. The Education Coordinator will confirm the number of tour guides. Stay with your group as you tour the cemetery.
- Be respectful of the grave markers and architecture.
- Stone rubbings are prohibited. Sketches and photographs are encouraged.
- Walk on the walkways and roads.
- Restrooms are available in the Visitors Center.
- This is an outdoor walking tour. Wear comfortable shoes and be dressed for the weather.

Oakland Cemetery Parking and Directions

Bus Arrival

Buses and large vehicles are not allowed inside Oakland's gates since they cannot make the turns inside the cemetery. Students and chaperones should be dropped off outside of the cemetery gate on Oakland Avenue. There is a parking lot near the gate where school buses will be able to park.

Parking

Free parking is available in a lot just outside the front gate or along the street on Martin Luther King, Jr. Drive and Oakland Avenue. If you are driving a small car, you can park inside the cemetery if there is available space. Pull your vehicle off to the right of any asphalt paved roadway, with enough space for other cars to pass. Please be especially careful not to damage walls and trees. Please be sure to lock your car and not leave valuables in view.

Directions from MARTA

Exit the King Memorial Station to Decatur Street. Head west (take a left) to Grant Street. Turn left onto Grant Street and follow to Martin Luther King Jr. Drive SE. Take left onto Martin Luther King Jr. Drive. The main gates of Oakland Cemetery will be straight ahead. The walk will take about 7-10 minutes.

All tours will start at the Front Gate on Oakland Avenue or the Visitors Center.
