LATEST ART NEWS

Hello Chastain Community,

This is the newsletter you have been anticipating! The Chastain Arts Center has been approved to reopen, to the public, for In-Person classes! We will be able to join together again for the upcoming Fall Session.

As we reflect over the last 17 months, we recognize how many challenges everyone has faced.

We have missed gathering to explore our creativity while the City of Atlanta implemented strict protocols in order to combat the spread of COVID-19. The Chastain Arts Center staff and instructors took the opportunity to join the rest of the arts world by offering quality Virtual Instruction. Our sincerest thank you to everyone who participated in the virtual programming to support our mission.

Although the COVID Pandemic is certainly not over, we do believe that getting back to our In-Person programming is a priority for Chastain. In the beginning, certain aspects of the Center will be adjusted to accommodate returning during an ongoing pandemic. We will be operating with a limited staff and fewer instructors. We will also be implementing a strict mask wearing protocol and requesting students and instructors practice increased hand sanitization. We appreciate your understanding and cooperation.

Chastain Arts Center will be open for classes Monday through Friday 10 AM – 4:30 PM. The **Fall 2021 Session begins on Monday, September 13th** and will be split into two 5-week Sessions. Our goal is to expand our programming as time goes on while making sure we have the ability to keep everyone, including our staff and instructors, safe while taking classes at Chastain.

[Click here to view the Fall 2021 Session Catalog available on the website](#) & **Registration is Open!**

Email is the best way to contact us for assistance at chastainarts@atlantaga.gov Voicemails are checked on a regular basis, but someone will not always be available to answer the phone.

Warmest Regards,

The Chastain Team

Chastain Arts Center
Presents
